About Go Glendale

Go Glendale is a membership-based nonprofit organization working with local employers and property managers to reduce traffic congestion, improve air quality, accessibility and mobility in Glendale, CA.

Our Services

- Information
- Centralized source of information
- Fully-stocked display of transit, bike and carpool resources for worksite
- Electronic updates on relevant construction, transit route and fare changes, etc.
- Personal customer service for your commute questions
- Quarterly newsletter to be forwarded to employees with local transportation updates, events and special offers

Representation

Liaison to the City of Glendale, Metro, AQMD and the Glendale Chamber of Commerce on transportation issues that affect your worksite.

Programs

- Assistance with AQMD Rule 2202 compliance (see our AQMD Rule 2202 FAQ page for more info)
 - Act as liaison to AQMD
 - Review of annual plan prior to submittal to AQMD
 - Training and ongoing support to assigned on-site transportation coordinator
- Assistance with Metro programs, including:
 - Guaranteed Ride Home
 - Transit Pass programs
 - Vanpool subsidies
 - Online ride matching
